Tanti-Quanti

Gli insiemi

- Conta e scrivi nel cartellino il numero degli elementi di ogni insieme.

LA STESSA QUANTITÀ

The image contains six circles arranged in two columns. The left column contains circles with 1, 3, and 6 carrots. The right column contains circles with 6, 1, and 3 rabbits. Each circle is attached to a diamond-shaped label. The labels for the carrot circles contain the numbers 1, 3, and 6. The labels for the rabbit circles contain a series of six dots (.....) for the top-right circle, a series of six dots (.....) for the middle-right circle, and a series of six dots (.....) for the bottom-right circle.

Attività: collega gli insiemi che contengono la stessa quantità di elementi e completa con i numeri
Indicatore: confrontare insiemi in base alla quantità
